

BeADisciple — Instructor and Facilitator Policy

All BeADisciple online courses, classes, and studies are conducted in small groups. Each group has an instructor who guides students through the course material.

Certified Instructors have completed all requirements for *IFD100 - How to Build and Provide Your Course Online* (\$100). In so doing, they are equipped and approved to both build course sites in Blackboard and teach courses on BeADisciple.com. Because IFD100 trains students to both build courses and lead learners through discussion and materials, a certified instructor may also facilitate certain pre-built courses on BeADisciple.

Disciple Online Facilitators have completed *DBS100 - How to Become a Disciple Online Facilitator* (\$50). This equips and approves them to lead a *Disciple Bible Study* online session on BeADisciple.com. They are not trained (nor are they authorized) to build course sites in Blackboard.

Certified instructors may enroll in the *Disciple Online* facilitator training to learn the unique aspects of *Disciple* at no charge.

Because of the agreement between The Institute for Discipleship and Southwestern College, all IFD instructors and facilitators must successfully complete the appropriate training before being allowed to build courses, instruct, or facilitate *Disciple Online*. This training is not waived for anyone for any reason.
